### Formal Complaints

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

When a formal complaint is raised, the school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

#### 1. Complaint received:

This will occur via email, telephone or in a scheduled meeting with the Principal or Assistant Principal to outline the complaint so that we can fully understand what the issues are. The complaint will be dealt with in a way that is preferred by the complainant (eg. In writing, in person or over the phone). For any verbal complaints received, the complaint will be documented and then sent to the complainant to ensure it has been understood.

If English is not a first language and the complainant has difficulty communicating their complaint, the school will offer the VITS translation service to assist.

#### 2. Information gathering:

Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.

#### 3. Response:

A response will be provided in either a meeting, letter or phone call by the Principal or Assistant Principal with the objective of reaching a resolution satisfactory to all parties.

#### 4. Timelines:

Hampton Primary School will acknowledge receipt of your complaint as soon as possible (usually within 2 business days during school terms) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Hampton Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. The school will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Hampton Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

### Resolution

Where appropriate, Hampton Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support

- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Hampton Primary School may also ask a complainant to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute, such as a Community Liaison Officer.

### Escalation

If a parent or community member is not satisfied that their complaint has been resolved by the school, or if their complaint is about the Principal, then the complaint should be referred to the DET South Eastern Victoria Region by contacting 9637 2000.

Hampton Primary School may also refer a complaint to South Eastern Victoria Region if the school believes that it has done all it can to address the complaint.
